TERMS AND CONDITIONS

Service discontinued for delinquency of bills will be restored only after all due bills are paid in full, redeposit made, if required, and a service charge of \$25.00 paid for each service re-established during regular working hours. A \$40.00 service charge will be made for each service re-establishment during the Company's non-regular working hours.

Water service under this Schedule is for the exclusive use of the Customer and water shall not be resold or provided others.

All rates in this Schedule shall be subject to their proportionate part of any taxes or other governmental imposts which are assessed directly or indirectly on the basis of revenues derived from service under this Schedule, or on the basis of the service provided or the volume of water produced, purchased or sold.

Taxes

This rate shall be subject to its proportionate part of any taxes and governmental imposts that are assessed on the basis of gross revenue of this District.

Special Conditions

1. Private fire protection service will be provided only if the customer purchases his entire water supply from this District.
2. The customer will pay, without refund, the entire cost of installing the service connection from the nearest main of adequate size to serve a private fire protection system in addition to all other normal service. If a private fire hydrant is installed, the customer will pay, without refund, the entire cost of installing the fire hydrant.
3. The maximum diameter of the service connection will not be more than the diameter of the main to which the service is connected. The maximum diameter of a fire hydrant connection will not be more than the diameter of the main to which the fire hydrant is connected.

Arizona-American Water Company
(Name of Company)Mohave Water District
(Name of Service Area)**ORIGINAL****Miscellaneous MISC-1 (continued)****Meter Testing Charge**

As provided for in Rule No. 7(f) the Company will charge the customer \$10.00 for testing a meter upon the customer's request. However, if the meter is found to be over-registering by more than three percent (3%), no meter-testing fee will be charged to the customer.

Service and Meter Installation Charges

As provided for in Rule No. 4 (B), the Company will charge the customer, as a refundable advance in aid of construction, an amount for each meter and service line as specified below:

1. Service and Meter Installations:

<u>Meter Size</u>	<u>Rate</u>
5/8"	\$ 500.00
3/4"	575.00
1"	660.00
1 1/2"	900.00
2"	1,525.00

Over 2" - charges are to be equal to actual total costs of installation.

Special Conditions

Company shall collect income taxes on the meter and service line charges. Any tax collected will be refunded each year that the meter deposit is refunded.

Foothills System Tariff FST-1

Facility Construction Advance

All new development (herein defined to be two (2) or more new residential dwelling units and all new commercial units) shall be subject to a refundable advance in aid of construction per residential dwelling unit or equivalent thereof as follows:

Foothills System \$350.00

For purposes of calculating equivalent residential dwelling units:

- a) An equivalent residential dwelling unit equals the use of 202 gallons per day.
- b) Each washing machine in a commercial laundromat shall be equivalent to two (2) residential dwelling units for purposes of calculating facility construction advances.
- c) Each designated parking space in a recreational vehicle park shall be equivalent to forty-three percent (43%) equivalent residential dwelling units for purposes of calculating facility construction advances.
- d) Each motel room, excepting efficiency type units, which are equivalent to one residential unit, shall be equivalent to thirty-nine percent (39%) equivalent residential units for purposes of calculating facility construction advance.
- e) All commercial and industrial facilities will be determined by the required water usage divided by 202.

Terms and Conditions

Subject to the terms and conditions of the Foothills System Tariff and the applicable rules, regulations and conditions of the Mohave Water District of Arizona-American Water Company and the Arizona Corporation Commission.
